

# SCUBA LUV MAUI DIVE REPORT

## “CRITTER OF THE WEEK”

(808) 870-2738

CONE SNAIL HERMIT CRAB—The walking legs and claw-bearing limbs of this unusual crab are ringed in vivid orange and red. The eyes, up on stalks, are also orange. In total contrast is the paper-thin white carapace, usually hiding with-in their “borrowed shell”.
